A: You can download Autodesk Design Review 2019 for both 32 bit and 64 bit version from this link. If you have Windows 8.1 you can download it directly from here. You can also download it through "Windows Store". For reference Autodesk Design Review is a SolidWorks based application to check the model for design. For your specific case, you can go to "Software" tab and then select "Autodesk Design Review". A window will appear. In the window search "AVR" and click on it. You will see "Autodesk Design Review 2019" as a result. Hope it helps. A: The Autodesk Design Review (AVR) is no longer provided as part of the Autodesk subscription. Instead, use a more robust 3D review
