Elden Ring Features Key:

Action RPG: Dive into an action-adventure story in which your decisions affect the character and the world around you.

Significantly Expand the Worlds of OP/TP: The Lands Between is an action RPG that will fully immerse you in its story and in its world and smoothly let you continue the story without interruption.

Even after you complete the story, the plots and adventures available in the story continue. The entire country of Elric has been dynamically expanded.

Deep and Detailed Storyline: What awaits you in the lands between will amaze you. Watch events unfold in the world of Elden Ring, an adventure which will captivate you.

Game Features Main Storyline: The story begins with an opening sequence where you select your first character. Then, you can freely choose your path. Keep your own story and the path you ultimately choose by executing events and selecting items, as well as by obtaining NPCs. Observe events • Items and NPCs appear in front of you as your stories unfold. Stay in the background to obtain the items you want and develop your character. • You get handsome rewards in the form of experience points and obtained items when you obtains NPCs and Items and chooses stories and behaviors. Shop: The shop serves as a place where you can exchange items for money. You can also develop and acquire items to enhance your level.

Observe stories • Incursions of Evil or Good Good and Evil will attempt to sway you towards your option. You can decide for yourself which of the two to follow, and even suppress one of the two or negate the result of an Incursion. • Character Build and Development Live events, such as monster incursions, constantly challenge you to make decision on your development. You will develop new skills or customize existing ones to raise your level.

World Map • This game lets you become a lord in the Lands Between in “The Lands Between”, a world where the map and the towns change depending on your actions and history. • Graphic Design • An artist, Nobunaga Yaguchi, has created a vast and detailed world. • Features one of the most surprising dungeons to date. • Get a sense of achievement at every turn and items you have successfully acquired

Elden Ring [Updated] 2022

MIGHTY KINGDOM “It is a difficult game to give a clear answer for. At first glance it seems like a typical hack-and-slash fantasy game, but the controls make it much more like a turn-based RPG where you get to strategize your moves. The core aspects of the game do not change but the experience changes each time you play.” CHUNTS CHUNCHEN “The graphics look fairly good. The range of features are abundant, and even the interface is rather intuitive.” IMPRESSIONS WORKS “To my surprise, I found myself enjoying the game more than I ever expected. All it’s flaws aside, it was a blast to play.” 1UP “It’s a lot of fun to play online, though I’d hesitate to use the term “social.”” BLOCKBUSTER MAGAZINE “The design is fairly simple, but it works well as a fun game that can be played with anyone who doesn’t have experience with RPGs.” TIPS AND TRICKS “For multiplayer, clicking either of the character icons in the upper corner toggles the action on or off, with one player controlling the main character and the other the sub-character. While you can use the same keyboard for both, you’ll probably want to use a separate controller. It’s much more convenient to use two different keyboards, with

one acting as a mini-map and the other operated by the player controlling the sub-character.” YAKUZA GAMES USA “I’m not sure what the Xbox version of the game is like, but it looks like the PS3 version is pretty good. As a seasoned RPG veteran, I can tell you that what you gain in experience points from killing a monster is offset by the obscene amounts of experience points you lose from simply completing a dungeon. Still, it’s a fun game, and while it’s incredibly slow to start, once you get going, it’s a lot of fun.” About SEGA Headquartered in Southern California, SEGA is a worldwide developer, publisher, and distributor of interactive entertainment products. Buy HYPOX action RPG for Windows PC on Steam

HYPOX is a re-imagining of the classic tabletop roleplaying game D&D mixed with an online fantasy MMO. • Action RPG + MOBA Running through an outdoor environment and battling enemies together is the core of the action RPG. There are no cutscenes in between battles, only in-game statistics. Enjoy various gameplay styles through the traditional RPG features of battle, skills, item menu, etc. • In-Game Visuals Mixed with Nice Artistics Various

battle conditions are presented based on the environment. You can move around the battle field freely and the entire immersion is felt. • Statistic Like a Heroes of the land Each player has main stats and sub-stats and will gain new stats when their hit points are increased. Stats represent the qualities of characters. Increase all of the stats, and you can customize the characters. • Customizable Player Classes You can freely create and equip more than 100 different weapons and armor. You can choose from various attributes, skills, and magic items. • Prepare for Marathon! The action RPG does not have any time limits. Battle by yourself or enter into the world of HYPOX with your friends. • Throw Away the Old RPGs HYPOX is fully connected. If you are at a certain location while another player opens the game, you can log in at that location. Bring your online friends together in HYPOX. • Enjoy Different Online Play Experiences! You can play HYPOX in a purely competitive environment where you fight for character domination (called the Attention War), or interact with other players at the same time and chat with them. You can also enter up to nine different solo modes that have different objectives.

We are very much satisfied and gratified to announce that your efforts at the Early Access release has led to HYPOX being among the 10 best VRMMORPGs on Steam in terms of percentage of users who feel this when they buy HYPOX. Thank you for your efforts!
