I want to alert the visitor about the number of items in cart and redirect him if he/she add more items. I tried two ways, but both are not working. This is my code.

```
My index page : load->view('cart'); } } ?> My
controller: load->library('session');
if($this->input->is_ajax_request()) {
$this->load->view('cart'); } } } ?> My Cart.php
view: session->userdata('userdata'); $url =
base_url('home/index');
$this->load->library('pagination'); $config['base_url']
= $url; $config['total_rows'] =
$this->session->userdata('total_item_number'); $config['per_page'] =
4; $config['uri_segment'] = 4; e79caf774b
