This is the first video I've ever done of myself singing. It took a bit of time to get used to as I normally don't sing, but I think I have now found my "voice". I hope you enjoy this video and/or song (especially my baby, Skut)!
[Show/Hide Quotes] As you can see, there is way less taken advantage of. I could not find a better way to create cross browser compatibly. I understand it may take a while to load the page but the connection is not made until the page is fully loaded. What you see at the top is only what I have available. In most cases the rest of the page will not be visible until the page is fully loaded, which hopefully won't take long. How did I do this you ask? This project actually involved creating 2 different yet similar projects. The first is for the main page, which will be used throughout the site. This contains my.eot,.svg, and.ttf files, which is visible 6d1f23a050
