As the world's #1 first-person action franchise, Call of Duty delivers combat-tested gameplay and all-new multiplayer modes, maps and experiences to it's fans, while rewarding players for their ongoing loyalty to the Call of Duty franchise. Infinity Ward has announced Call of Duty: Black Ops III. More than two years on, the sequel is the best Black Ops yet, delivering more new maps, modes, weapons, customization options and more than 30 other ways to play. In a teaser video, Call of Duty: Black Ops III shows off a tweaked gameplay iteration. With the core of its missions, gameplay balancing and core movement similar to the Modern Warfare III game, Treyarch has turned their attention to the possibility of adding more ways for its players to play - for example, new air-to-air combat opportunities .
