kepemimpinandalamorganisasigaryyuklpdfdownload According to psychologists, hide-and-seek helps children learn to control their emotions and feelings, as well as understand how to get their way without resorting to violence. Only adults participate in the game. According to the rules of the game, only the child is hiding in the room, the rest of the participants must find him. An adult who drives hides an object, and then offers to guess where this object is hidden. For convenience, it is placed in a prominent place so that the child can immediately find it.
